Subject: Contract FM-3050, Price Redetermination
Enclosure (1): Redetermination Proposal for Item 1

The base date for price redetermination of contract Item 1 is December 31, 1957. Thus, in accordance with the price redetermination provisions of the subject contract, we are transmitting herewith Enclosure (1) which is our proposal for the redetermined price for contract Item 1. Contract Item 2 is not subject to price redetermination and is, therefore, not reflected in the subject proposal.

This proposal covers Domestic Field Services for the period January 1, 1957 thru August 31, 1957 and Overseas Field Services for the period January 1, 1957 thru June 30, 1957.

If any further information is desired, we will be glad to furnish it upon request and arrange a conference at your convenience to establish a final price for contract item covered by this proposal.
